

ADMISSION

FAQs

Question: Why DMCE ?

- ♦ NAAC accredited .
- ♦ ISO 9001-2008 certified.
- ♦ Connected to Mumbai- Thane and all other nodes of Navi Mumbai by bus and train.
- ♦ Distinguished faculty with rich teaching, industry and research experience.
- ♦ Excellent campus infrastructure
- ♦ State-of-the-art advanced technology laboratories
- ♦ Extensive physical and digital library
- ♦ Book Bank facility for students
- ♦ Intensive soft skills development for professional careers
- ♦ Active-on campus placement assistance
- ♦ Personality development programs for professional careers
- ♦ Active committees' viz., E-cell, Cultural, Sports, etc. to ensure holistic development of students
- ♦ Active alumni network for global reach.
- ♦ Premier Institute with good results.

SEM-II 2018-19

Result Awaited

Question: How are the teachers in the college?

Answer: The teachers are very well qualified and dedicated. Around 25 of them are doctorates and 45 are pursuing PhD.

Question: How are the Research & Development facilities in the college?

Answer: Datta Meghe College of Engineering has research centre in various advanced technical areas. It is a great opportunity for students to have the R&D exposure both at the UG and PG level.

Question: How are the placement opportunities provided to the students?

Answer: Placement percentage is very good. It is always above 60% excluding the students who pursue higher studies.

Question: What are the scholarship schemes available?

Answer: Apart from government scholarship schemes, many private scholarships are available. Rank holders are also encouraged with cash prizes.

Question: Do you have internet facilities at the college?

Answer: Yes, the internet and wi-fi facilities are available.

Question: Will the documents for Bank Loans be given?

Answer: Yes, documents for Bank Loans will be issued after the confirmation of the admission.

Question: Is the college Autonomous?

Answer: No, the college is not autonomous.

Question: Are there any seats reserved for female candidates?

Answer: Reservation for female candidates is as per the Directorate of Technical Education, Government of Maharashtra norms.

Question: Can a student from Pune take admission to a college in Mumbai?

Answer: Of course yes. But that student has to apply under 19.5% quota of CAP seats earmarked for students from other universities. However, student from other universities can also compete for 100% seats in autonomous colleges like VJTI Mumbai, SPCE Mumbai

Question: Is it necessary to give CET for taking an admission to engineering college in Maharashtra ?

Answer: Yes. If you are seeking admission to engineering colleges in Maharashtra (except IIT's) approved by All India Council for Technical Education i.e. AICTE then you would have to appear for the CET exam. Those who have given JEE can apply for 15% quota only.

Question: Can one apply with CET score as well as JEE score at the same time ?

Answer: Please refer Information Brochure for admission to Under graduate technical courses by State CET cell, Maharashtra State.

Question: What is the Eligibility for Admission to First Year Engineering

Answer:

A. Maharashtra State Candidature Candidate:

1. The Candidate should be an Indian National.
2. Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects, and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only) in the above subjects taken together; and obtained score in CET conducted by the competent authority.

OR

2. Passed Diploma in Engineering and Technology and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only);

OR

2. Passed B.Sc. Degree from a recognised University as defined by UGC. and obtained at least 50 % marks (at least 45% marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only) and passed XII standard with Mathematics as a subject;

B. All India Candidature Candidates, Jammu and Kashmir Migrant Candidature Candidates

1. The Candidate should be an Indian National
2. Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only) in the above subjects taken together and Obtained score in JEE Main Paper I or in CET conducted by the Competent authority.

OR

2. Passed Diploma in Engineering and Technology and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only);

OR

2. Passed B.Sc. Degree from a recognised University as defined by University Grants Commission and obtained at least 50 % marks(at least 45 % marks, in case of Backward class categories and persons with disability candidates belonging to Maharashtra State only) and passed XII standard with Mathematics as a subject;

C. Children of NRI / OCI / PIO, Children of Indian workers in the Gulf countries, Foreign National

1. The candidate should have passed the HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects, and obtained at least 50 % marks in the above subjects taken together;
2. Any other criterion declared by appropriate authority from time to time.

Question: What is the Eligibility for admission to Direct Second Year Engineering (Lateral Entry)

Answer:

A. For Maharashtra State Candidature Candidate and All India Candidature Candidate

1. The Candidate should be an Indian national
2. Passed Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of candidates of Backward class categories and persons with disability belonging to Maharashtra State only) in appropriate branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent

OR

2. Passed B.Sc. degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward class categories and persons with disability belonging to Maharashtra State only) and passed HSC with Mathematics as a subject provided that students belonging to this category shall clear the subjects of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the FirstYear Engineering Program along with second year subjects
3. Any other criterion declared by appropriate authority from time to time

Question: What is the Registration Process for admission to first year and Direct Second Year Engineering?

Answer: The candidates seeking admission to the First Year and Direct Second Year Engineering professional degree course (B. E.) are required to register their candidature on the Directorate of Technical Education, Government of Maharashtra web portal. The below steps are

MANDATORY as per rules published by the “Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2017 for and Amendment rule 2019, dated June 4, 2019.

STEPS FOR REGISTRATION OF CANDIDATURE:

1. Online registration on DTE Web Portal
2. Documents verification, uploading and confirmation of Application Form for Admission
 - By Maharashtra State/All India candidates in person at designated Facilitation Centre (List of Facilitation Centres available on DTE Web Portal)
 - J & K Migrant/NRI/PIO/OCI/CIWGC/FN candidates should send the print of online filled & confirmed application form & required documents by hand/speed post/courier for verification & confirmation to “**The Principal , Sardar Patel College of Engineering (SPCE), Versova Road, Munshi Nagar, Andheri (West), Mumbai-400058**”

SEAT ALLOCATION:

1. **CAP Seats** – 80% seats will be allotted by the Directorate of Technical Education through the Central Admission Process.
2. **Institute Level Seats** – 20% seats will be allotted by the institute.
Against CAP Seats – Seats remaining vacant after the completion of the CAP Rounds will be opened for allocation at Institute Level.

Question: What is the Application Procedure for admission to First Year Engineering.

Answer: I. For Admission through Centralized Admission Process (CAP) carried out by Directorate of Technical Education (DTE), Maharashtra state

Apply through DTE website: <https://fe2019.mahacet.org>

II. For admission through Institute level (Management) Quota and probable vacant seats after completion of CAP

- Institute level (Management) quota and probable vacant seats after completion of CAP will be filled at the Institute Level ONLY. Candidates have to apply directly to the institute by submitting the prescribed application form available in the office along with a non-refundable application processing fee of **Rs1600/- [Rupees Sixteen hundred Only]**.

Question: How to claim seats under management quota?

Answer: For management level admissions, you need to apply directly to one of the un-aided non-minority engineering college directly (there is no management quota in Government or Govt. aided Engg. Colleges). There are 20% seats available with such college management.
