Dr. D.J. Pete tabled the revised IQMAC/IQAC Manual. It was unanimously decided to implement the same from the Next Academic Year i.e. 2019-20.

##### **1.02. Regarding Industrial Visits and other Industry-Academia Partnership:**

- Most of the departments have conducted Industrial Visits for their students along with Industry experts visiting the campus for Interactions in form of Seminars/Workshops/Guest Lectures.
- Internships are facilitated. Real time projects are undertaken by students. This area needs more focus and attention as the environment has become more competitive and demanding.

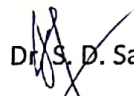

- Expert sessions are arranged. International Conference ( ICATE- 2019) is hosted successfully in April 2019.
- Electrowiz 2K19, intercollegiate Project Competition is also hosted successfully in April 2019.
- Principal appreciated the efforts put in by teaching and non-teaching staff towards meeting the laid down goals and working cohesively as a single unit.

**1.03. Review of the Last ILQMC Suggestions :**

- Many MoUs have been signed towards effecting Internship/Projects and other associated Industry Academia matters of importance.
- Student Internships have increased but it needs further push from all departments.
- Many students and Faculty are accessing on-line resources like NPTEL/SWAYAM Courses. Along with students, even faculty have cleared the NPTEL certification courses.
- Faculty Development programmes or Faculty enrichment programmes have been implemented across all departments

The meeting ended with a note of thanks by the Principal.
